

# Efficiency Meets Reliability.

Shiv Narayan Logistics Pvt. Ltd.

## About Us

### Redefining Logistics Since 2017

Shiv Narayan Logistics Pvt. Ltd.—a name that reflects our commitment to innovation, excellence, and trust.

Headquartered in Kalamboli, Navi Mumbai, we've built a reputation as a reliable road logistics partner for some of India's most respected companies including BirlaNu (CK Birla Group), Raptakos Brett & Company Ltd., STP Ltd.

### Our Tagline, Our Promise

"Efficiency Meets Reliability" isn't just a slogan—it's how we deliver value every single day.

## Our Vision

To be an indispensable partner in our clients' success— by helping them move goods quickly, safely, and efficiently across India.

## Our Mission

We deliver positive experiences through secure, tech-driven, and customer-first logistics. We prioritize:

By fostering trust and collaboration, we aim to build long-term relationships and drive impact across the logistics industry.

# Our Core Services

## Road Transportation of Raw, Semi-Finished, and Finished Goods

We specialize in safe, on-time delivery of materials across all stages of production. Whether it's inbound raw materials or final product dispatch, we ensure seamless movement through our reliable road network.

## Bulk Commodity Movement

Handling large volumes with ease, we transport bulk goods securely and cost-effectively. Our fleet and trained team ensure that even the heaviest or most sensitive loads reach their destination intact.

## Cost-Efficient Freight Management

We optimize every route, vehicle type, and delivery plan to reduce operational costs for our clients. Our solutions are tailored to deliver maximum value without compromising service quality.

## Personalized Logistics Consulting

No two consignments are the same—and neither are our logistics plans. We assess your cargo needs and suggest the most efficient transport strategy for safe and timely delivery.

# Fleet Capabilities

We operate a versatile and modern fleet:

- Open Body Trucks: ( 2mt to 40mt )
- Trailers: 20ft, 40ft ( Import, Export & Loose )
- Containers Body: ( 14ft to 32ft )

We Offer Custom Load Solution based on client needs

# Our **Process**: Simple. Smart. Reliable.

**We Listen:** We first understand your cargo type and transportation needs.

**We Plan:** We recommend the most suitable vehicle, ensuring both safety and cost-efficiency.

**We Deliver:** With 24x7 tracking and dedicated assistance, we manage your consignment end-to-end, until it reaches its destination safely and on time.

Whether it's bulk raw material or finished goods, our specialized approach ensures maximum value and minimum delays.

## Why **Choose Us**

### **24x7 Tracking and Vehicle Monitoring**

With real-time GPS tracking and round-the-clock support, our clients are always in control. Know where your consignment is—anytime, anywhere, with complete transparency.

### **Custom-Fit Logistics Solutions**

We don't believe in one-size-fits-all. Every client gets a tailored transport plan based on cargo type, destination, timelines, and budget—ensuring efficiency and cost-effectiveness at every step.

### **Trusted by Industry Leaders**

Our long-standing partnerships with industry leaders reflect our reputation for reliability, professionalism, and performance under pressure.
